MESSAGE FROM MISS SAUL

Our pupils have been aiming to be the best versions of themselves this week in their lessons and social times!

Our amazing Year 6 and 7 athletes came third in the district athletics last Friday, managing to get an amazing haul of medals and beat some school records! Miss Nicholls was impressed with their performances and extremely proud of their positive and supportive attitudes.

In KS3 science this week, pupils have been investigating how penguins stay warm by huddling together. They have been using test tubes and Bunsen burners to see test their theories and have been able to explain what they have learned in detail.

Our KS3 French groups have been learning how have simple conversations in French and ensuring that their pronunciation is perfect, while in maths pupils are learning about ratio.

In Year 5 pupils are learning about the Greek Gods and reading all the wonderful stories associated with them. Year 6 have been showing off their addition and subtraction skills and applying their skills to help them solve some challenging maths problems.

As another busy week comes to end, I hope you have a fantastic weekend and we look forward to seeing you all bright and early on Monday morning!

WEEKLY WORSHIP: KINDNESS

This week in Collective Worship we have been thinking about how we show kindness and the difference it makes to us all.

"So in everything, do to others what you would have them do to you, for this sums up the Law and the Prophets"

Matthew 7:12

Why not think about the different ways you show kindness and forgiveness within your family, as well as to friends, animals and your community – there is so much kindness out there to celebrate!
