# MESSAGE FROM MISS SAUL

---

This week has been great fun for Team Ipsley with plenty of events to support transition and celebrate success!

On Wednesday and Thursday our pupils all moved to the classes that they will be with in September for our transition days. Year 8 had their first taste of high school and we welcomed our Year 4 pupils from our first schools for their first experience of life in Year 5!

The transition days were incredible! Pupil behaviour was exemplary and they were enthusiastic and excited about their new classes, relationships and learning opportunities! This enthusiasm was matched by our parents as we had incredible attendance at our transition evenings where parents could meet their child's new class teacher and find out more about the year ahead.

On Friday morning we celebrated with our Year 6 pupils as they received their SATs results. Our parents braved the horrible weather to join their children in finding out how well they had done! There were so many amazing stories of success and we celebrated with drinks and cakes and lots of smiles! Well done Year 6 – we knew you would do us proud!

Thank you to all our parents for the support you have shown your pupils and the school this week. For every parent event we have held this week we have had at least three quarters of our families here, rain or shine, early or late. You really are amazing!

I hope you have a wonderful weekend, Team Ipsley!
