

SUMMER 2 - WEEK 3

TEAM IPSLEY UPDATE!

@IpsleySchool #JoinTeamIpsley

MESSAGE FROM MISS SAUL

It's been another busy week in the sunshine and showers for Team Ipsley!

This week, we have very much enjoyed watching our Spoken Word club, led by Mr Duffin, perform their version of Androcles and the Lion in our Collective Worship. Our pupils were so well rehearsed, performing the story with passion and confidence! They were certainly courageous, just like Androcles, performing twice in front of an audience of three hundred pupils!

This week, we started our transition visits, welcoming Year 4 pupils from Tenacres First School to Ipsley for guided tours with our Year 5 pupils. Such a polite and enthusiastic group of visitors – we look forward to finding out more about you all in our transition days in July! Meanwhile, groups of our Year 8 pupils visited Arrow Vale for some transition experiences, taking part in art and sports activities to get to know the school and staff. Year 8 came back buzzing with excitement as they prepare for their next step in their education journey!

Finally, we are looking forward to seeing as many of our community as we can at our Community Café next Thursday from 3.30pm – 6pm. This was a huge success last term and we would love to see our Team Ipsley families and Winyates and Matchborough families again, joining us to gain information from our community partner information stalls and have some fun with bouncy castles, ice creams and games! Please see the flier below for more information.

IMPORTANT MESSAGES

As the weather is due to continue to be warm, pupils will be allowed to wear their PE kit to school again next week instead of their uniform if they wish. Pupils who do want to wear their uniform can leave their blazers at home. Please ensure pupils have a refillable water bottle with them too!
